In the space below, please describe your proposed image:

All artwork must be appropriate for public viewing by all ages. No words or symbols intended as advertising may appear in the image. Only chalk pastels in a solid form may be used: No liquid pastels, acrylic paints, fixatives, etc. are permitted. We request that you plan to sign your artwork at the bottom of the image. Photographs may be taken during the day.

This year, we anticipate holding the event in (on the cement floors) and around (on the side walks) surrounding the Windsor Armories (The Armories building is essentially one wide open space which can be easily open to the general public.), so that artists may bring any supplies to make themselves at home, but your own shade (umbrella, canopy, etc.) will not be required if you work inside.

If the weather is good, we will have sidewalk space outside, because the streets surrounding the Armories will be closed off – if you do decide to work outside consider bringing some shade if you need it. If you are coming from a great distance and would like advance assistance in organizing some shade to work under please let us know.
